HISTORY OF AMERICAN CITIZENSHIP

**SUMMER 2022 | ANNA NGUYEN
5 CREDITS | DIV | I&S**

Examine U.S. history from the colonial period to present through the scope of citizenship.

Investigate how ideas of citizenship have changed over time, and how, when, and why different groups became eligible for citizenship and what rights that citizenship conferred.

Explore shifting U.S. policies and laws as well as the lived experiences and historical accounts of the peoples of the United States.
