

*Participate in the 2022
College of the Environment*

Research Derby!

WHAT?

Research Derby is a **48 hour speed research event**. Over two-days **teams of 3-5 graduate students** collaborate to devise and implement a novel research project. At the end of the derby, teams **present their findings** in the form of a 15-20 minute presentation to students, faculty, and judges for a chance to win **cash prizes!**

WHO?

Are you a graduate student in the College of the Environment?

Are you interested in collaborative research?

Do you want to expand your research experience?

Then the research derby is for you!

WHEN?

March 30th & 31th

Presentations 4 pm on March 31 in FSH 102.
