

## **Teaching Assistant – ESRM 250/SEFS 520 – Introduction to Geographic Information Systems in Forest Resources**

**Department:** School of Environmental and Forest Sciences  
**Quarter Available:** Autumn Quarter 2023 (09/16/2023 - 12/15/2023)  
**Application Deadline:** Monday, August 28<sup>th</sup>, 11:59 PM

### **Course Description:**

Applications of GIS technology to forest science and management. Fundamentals of GIS systems: data sources, preprocessing, map analysis, output; remote sensing as a source of GIS data, image analysis, and classification. Emphasis on GIS as a source of management and technical information requests.

### **Duties and Requirements:**

The Teaching Assistant will report to the instructor and support all aspects of teaching and managing the course, including attending the lectures, grading assignments and exams, updating online course content, maintaining grading records, holding office hours, and answering student questions.

Applicants must be making satisfactory progress.

### **Pay:**

Salaried ASE positions are 50% FTE (20 hrs./week) and salary is commensurate with academic standing, per the ASE contract. (In AY 2023-24, Premasters rate is \$2,664/mo.; Intermediate rate is \$2,863/mo.; Candidate pay \$3,076/mo.)

### **How to Apply:**

Please fill out the attached SEFS ASE Application Form, including the course number and quarter in the subject line, and [submit your application and your CV to this google collection form](#). Any application questions should be directed to Liz Collier, at [ecollier@uw.edu](mailto:ecollier@uw.edu).
