

Summer Innovation Fellowships Info Session

Thursday, March 12 | 11:30am-12:30pm | HRC 101

Join us for an information session on the ITHS/WRF Summer Commercialization and Social Entrepreneurship Fellowship programs! In-person and virtual attendance options.

The Social Entrepreneurship Fellowship is run in partnership with The Population Health Initiative and the Buerk Center for Entrepreneurship. The program supports graduate fellows from different disciplines to work on a range of different projects.

Please RSVP to let us know you'll be joining
