### General Practices for Sale

#### WISCONSIN

Chippewa County	<p>Located 2 ½ hours from the Twin Cities is this Eau Claire area practice. The area is known for arts and music, with lots of festivals and galleries. Year-round recreational opportunities can be had at Lake Wissota. The region provides access to camping, mountain biking, and ice fishing to name a few activities. This long-established practice has 3yr weighted average revenues over \$520k. There are 5 equipped treatment rooms with 1- 2 additional rooms, combine that with limited competition in the area and you have a recipe for success and growth. The seller is willing to stay on to provide a smooth transition and the building is also available for sale.</p> <p><b>Practice ID: P731</b></p>
Dane County	<p>This well-established dental practice located in Dane County is a great opportunity for anyone starting out or as a satellite office. There are 3 operatories with potential for a fourth. Practice currently open 4 days a week. All the outdoor activities Wisconsin is known for are readily accessed from your doorstep. Kayaking, ice fishing, hiking, waterparks and even Badger football games at the University of Wisconsin. A short drive to Madison will give you the opportunity to visit museums, eat at a variety of restaurants and go shopping. Contact us for the financials.</p> <p><b>Practice ID: P727</b></p>

Eau Claire County	<p>Don't miss out on the opportunity to live in an area offering some of the best that Wisconsin has to offer. Outdoor activities are abundant and varied, some of which are tubing, golf, ice fishing, and hiking. There is something for the whole family to do, music festivals, children's museum, distilleries, and lots of eateries. The schools are also top notch and include the University of Wisconsin Eau Claire. This successful practice won't be available long, contact us for all the details.</p> <p><b>Practice ID: P726</b></p>
Kenosha County	<p>Kenosha County sits 40 miles south of Milwaukee and 60 miles north of Chicago right on Lake Michigan. With publicly accessible beaches, parks and recreational paths, this area is a great place to live. Art galleries, shops and restaurants are all available in Kenosha if you don't want to travel to the bigger cities. How lucky you would be to live and work in this desirable location and own a high producing practice with collections exceeding \$1mil. This turnkey practice has lower than average overhead and upgraded equipment. The real estate is also for sale, so you can truly be an independent owner. Contact us for financials.</p> <p><b>Practice ID: P729</b></p>
Kewaunee County	<p>Flanked on either side by Lake Michigan, Kewaunee County has 28 miles of shoreline and is ideally located at the foot of Door County, a regional gem of Wisconsin. Both areas offer great restaurants, shopping, antiques, and watersports along with ice fishing, and any activity that starts with the word "snow". This is a wonderful opportunity to live and work in a community with lots to offer. Up to date equipment and efficiently run, this practice is turnkey with net revenues averaging &gt;\$1.3 mil. You can truly be an independent owner, with the opportunity to also purchase the real estate.</p> <p><b>Practice ID: P722</b></p>
Marathon County	<p>North central Wisconsin is a beautiful area offering an abundance of recreational and cultural opportunities. This thriving community is the backbone of this practice and if you enjoy working with talented and engaged professionals, this opportunity is for you. This well established and lucrative practice has 2-year net revenues &gt; \$800K. Significant investments in equipment and a good location enable the next provider the ability to hit the ground running.</p> <p><b>Practice ID: P716</b></p>

Milwaukee County	<p>Located in a highly desirable area of Milwaukee County this newly appointed dental practice has 4 x-ray equipped treatment rooms, new A-dec delivery systems, and Statim 2000 sterilizer along with other equipment. Practice has free off-street parking and net revenues averaging more than \$580K. Milwaukee County has lots to offer such as major league teams, miles of Lake Michigan shoreline and great schools. If your desire is to be a solo practitioner and part of this wonderful community contact Edge Advisors.</p> <p><b>Practice ID: P725</b></p>
Ozaukee County	<p>Well-established dental practice for sale in Ozaukee County. Practice offers a consistent stream of patients with weighted average revenues &gt;\$1.2 mil. The office has up to date equipment and off-street parking. There is also the opportunity to own the real estate so if it's time to be your own boss, this turnkey opportunity is perfect for you. With 25 miles of shoreline Ozaukee County can be a very attractive place to live and work. Great schools, close to Milwaukee who could ask for more!</p> <p><b>Practice ID: P724</b></p>
Rock County	<p>Rock County offers residents an array of recreational and cultural options. There are museums, historical landmarks, and acres of open space to hike, boat, golf, and any other activity you can think of. Located in a stand-alone building with off street parking, the 2500 square foot space has 6 treatment rooms. This practice operates 4 days a week and currently refers out 90% endo, 100% peds, 100% perio, 100% ortho and 75% oral surgery. Whether you are looking to be an owner or looking to add to an existing practice this opportunity fits the bill. Contact us for more information.</p> <p><b>Practice ID: P698</b></p>
Rock County	<p>This Rock County practice is open 4 days a week and ideally situated with great visibility and off-street parking. There are 3 treatment rooms in a 1200 square foot space, some of the equipment included are panoramic and digital Xrays and Dentrux software. The surrounding area is home to a variety of attractions and activities, botanical gardens, farmers markets, golf courses and 250 miles of trails! Cultural venues consist of museums, performing arts and historic landmarks. Water sports are also abundant on the Rock River. This is a great place to raise a family with top ranked elementary and high schools and a world class University in Madison, Wisconsin, Go Badgers! This practice is turnkey and priced to sell at \$373,880. The owner is willing to stay on long enough to ensure a smooth transition!</p> <p><b>Practice ID: 718</b></p>
Rock County	<p>Gross Collections are upwards of \$1.4 mil with an active patient count over 2,400. Onsite laundry, 5 Xray equipped treatment rooms, 3D printer and curing oven, and more in this spacious 2,900 sq ft office. The opportunity to purchase the real estate associated with the practice provides true independence and security. As for location, this practice is in a thriving residential community outside of Madison and offers a</p>

	<p>steady stream of incoming patients and good schools. Being open 4 days, allows for a work / life balance and gives you the opportunity to enjoy the offerings of the region. Rock county has a dozen golf courses and hundreds of miles of trails for hiking, biking, and horseback riding, it is also, a short drive to the cultural events offered in Madison. Its location lends to day trips to Milwaukee or Chicago, and proximity to airports gives you access to travel the world if you are so inclined. To check out this lucrative practice contact Edge Advisors for financials and practice details.</p> <p><b>Practice ID: P732</b></p>
Sheboygan County	<p>If you are looking to own your own business and step into an established practice this opportunity is for you, and it is located 30 minutes from downtown Milwaukee. The practice is currently open four days a week leaving the other days to explore. With over 100 parks, golf courses, beaches and hundreds of events, there is something for everyone in the family to enjoy year-round. Located in a stand-alone building with off street parking. There are five treatment rooms and upgraded technology Panoramic X-ray, and digital X-ray units and digital milling just to name a few.</p> <p><b>Practice ID: P701</b></p>
Vernon County	<p>Edge Advisors has a thriving dental practice located in Vernon County that has weighted average collections over \$490,000. The area is known for its snowmobile trails, festivals, and an ample number of trout streams along with access to the Mississippi River. Good schools and supportive communities are a big draw for families looking for a great place to raise their kids.</p> <p><b>Practice ID: P733</b></p>
Waukesha County	<p>Check out this lucrative practice located in a suburb of Milwaukee, just a couple of hours north of Chicago, and a couple of hours south of Door County. Great location, great schools in the great state of Wisconsin, what more could you want. Wisconsin is known for outdoor recreational activities winter, spring, summer and fall and the cities afford many cultural outlets and shopping. The practice office space is 3,000 sq. ft. with 6 operatories and an active patient count of over 2,800. Weighted average collections &gt;\$1mil. Desirable location with off street parking add to making this a turnkey operation.</p> <p><b>Practice ID: P728</b></p>
Waukesha County	<p>Here's an opportunity to own your own business in Waukesha County. Located on the east side of Milwaukee, the area is a mix of suburban areas, historical exciting urban areas, and rural communities. There is something here for everyone. Currently open 4 days a week, and well-established, the turnkey practice has 3 treatment rooms, newer equipment, and occupies 2,475 sq ft. Seller would like to assist with transition, great for patient retainment and loyalty. Real estate is also for sale, this won't last long!</p> <p><b>Practice ID: P730</b></p>

Wood County	<p>Wood County is centrally located in the state of Wisconsin, it is home to 78 lakes and 3 rivers. It may be rural, but you can still find new things to do such as Goat Yoga, learn to Polka dance, or try out ice fishing. There is plenty to do here, but if you are looking for big city experiences, Milwaukee or Madison are great day trips. The 1200 square foot space in Wood County sees approximately 12 new patients a month. There are 4 treatment rooms in a free-standing building with off street parking. The practice is turnkey with newer equipment, lower than average overhead, and 2-year average revenues &gt;\$780K.</p> <p><b>Practice ID: P700</b></p>

# ASSOCIATE & ASSOCIATE-TO-PARTNER OPPORTUNITIES

MARCH 2024

We are a dental services firm headquartered in Wisconsin and we team up with private practices across the Midwest to help them fill their associateship openings. **Our recruitment services are confidential and free to doctors looking for a new opportunity.** Our services help with:

1. Aligning dentists to associateships that match their goals & philosophies.
2. Interview preparation.
3. Transparency in the recruitment process (how many other candidates are in process with the practice, what is their timeframe on making a decision and ultimately if they choose another doctor, why they went a different direction).
4. Contract negotiation and market understanding to ensure the dentist is getting the best offer possible.
5. Connections to reputable dental CPAs, real estate professionals & attorneys, if a future partnership or buy-out occurs.

If you are looking for a private-practice associateship, please contact **Nikki Paffenroth**:

A new graduate or experienced associate is welcome to apply to this 4 doctor practice. Due to growth, this practice is expanding to a brand new facility set to open in 2022. Healthy practice with long standing patients, successful systems in place, and opportunity for career satisfaction and collaboration with colleagues. **Job ID: MN011**

Olmsted County

Closest City: **Rochester** Talk about flexibility! Options for immediate ownership or associate to partner. This practice located in the highly desirable lake country. The practice has invested heavily in technology and patients will appreciate a like minded doctor leading this practice. Ideal candidate is a true leader committed to providing consistently great care. The practice is offering both immediate security and long range wealth options. Modern space and facility with room to expand if you'd

Olmsted County	want to grow into a 2 doctor practice. A new graduate or experienced associate is welcome to apply to this private practice. The community and surrounding area provide an ideal environment!. <b>Job ID: MN022</b>
Closest City: <b>St. Cloud</b>	Superior technology (CBCT, Digital, Intraoral Cameras, Wand, etc), best in class team, along with mentorship and custom CE are a few of the highlights offered at this outstanding associateship opportunity. A new graduate or experienced associate is welcome to apply to this private practice. Given the growth of this unique doctor team, we can offer this newly created position. The owners offer aggressive compensation given the healthy metrics of the practice. For the right individual committed to providing world class care, there's a partnership / ownership opportunity. This team and opportunity are a "no brainer". <b>Job ID: MN017</b>
Meeker County	
<b>NORTH DAKOTA</b>	
Closest City: <b>Fargo</b>	Legacy practice with huge demand that offers new doctor the opportunity to enjoy independence along with mentorship! Owner doctor is looking for associate to start but has structured partner plan along phenomenal earnings. Stability and mentorship abound. Opportunity to work with an owner completely dedicated to your success as both an associate and partner if desired. Extremely reliable financial history. The new doctor will be busy day one. Ideal candidate possesses a commitment to continued learning and communicating with patients to build a long term relationship. <b>Job ID: ND028</b>
Rolette County	
<b>WISCONSIN</b>	
Closest City: <b>Appleton</b>	Private practice in a brand-new facility looking to add an additional associate due to growth! Office is technology driven and offers many advanced services (CBCT, 3D printing, lasers, CEREC, Sleep Apnea, AllonX, IV sedation, ortho and more!). Owner doc mentors for well-recognized CE outlets nationally and is eager to mentor a new grad. The highly skilled, motivated (but fun!) auxiliary team is a big part of what makes this opportunity unique by helping an associate to quickly implement what they've learned into practice. \$200k+ earning potential. <b>Job ID: WI142</b>
Outagamie County	
Closest City: <b>Dubuque, IA</b>	Private practice with path to partnership after 1 year of tenure seeking associate due to a doc relocation. This office will support you however you'd like to grow clinically and will also allow you the opportunity to work alongside another clinician. Digital scanners and 3D printer in house. There is a huge opportunity if someone has a passion for endo as it is being referred out currently. <b>Job ID: WI128</b>
Crawford County	
Closest City: <b>Eau Claire</b>	Associate to partnership opportunity with private, doctor-owned practice. Office has a pano--everything is digital. Office currently doing majority of procedures in house (implants, endo, band & bracket as well as clear aligners) and will be able to provide associate with mentorship to learn these procedures. Practice would provide a path to partnership after 3 years. Opportunity to work as an employee or independent contractor to benefit doc for tax purposes should they choose. D4, new grads or experienced candidates welcome to apply! <b>Job ID: WI026</b>
Eau Claire County	
Closest City: <b>Eau Claire</b>	Private practice with 3,000+ active patients and 50 new patients per month seeking additional associate due to growth. This opportunity would provide mentorship and access to lots of tech: digital scanner, CEREC, 3D pan. Office is doing bread and butter dentistry along with implant placement. There is a substantial opportunity here for a doctor who enjoys endo. The partner docs are really looking for someone with solid basic skills, open to learning new things and has a desire to be a part of the community. <b>Job ID: WI089</b>
Eau Claire County	
Closest City: <b>Eau Claire</b>	Unparalleled technology, collegial partners, beautiful facility, and large patient base! This practice options checks "all the boxes". Truly a rare opportunity, and the financial terms match! Very high guaranteed salary plus percentage of net production. Seeking a motivated dentist to join a unique team committed to a great culture. Associates (including new grads, earn \$450K+++). Partners earn, \$500k - \$700K! <b>Job ID: WI144</b>
Eau Claire County	
Closest City: <b>Fond du Lac</b>	Reputable and booming practice looking to add associate due to growth. This practice will be moving into their brand new facility with state-of-the-art technology: CBCT, Prime Scan CEREC, etc. New associate would have the opportunity to keep as much dentistry in-house as they desire and also to be mentored with implants, oral surgery and more. There is substantial opportunity for dentists interested in endo and prostho. The ideal doctor would be one who is outgoing and able to relate to the patients and community...one that doesn't show elitism who also prioritizes perfect work over speed. Owner doc would love to mentor a new grad and help them with clinical skills, leadership as well as practice management. There is an opportunity for partnership here. <b>Job ID: WI047</b>
Calumet County	
Closest City: <b>Fond du Lac</b>	Private practice with a legacy team is looking for a new associate or partner to help take the team to new heights. For the right individual, timing is optimum to take advantage of the unique ownership and partnership options the greater team is looking to create for the right partner. Recently renovated, we'd like to find the next leader of the practice long term. You'll enjoy the unbridled support of a dedicated team that truly values the relationship between doctor and patient. No quotas but unmatched upside! <b>Job ID: WI140</b>
Fond du Lac County	

<p>Closest City: <b>Green Bay</b></p> <p>Brown County</p>	<p>Private practice - check. Brand new expanded facility - check. Opportunity to collaborate with three other doctors committed to each other's success - check. As a result of unprecedented growth, this new facility is looking to add an associate who yearns to grow with this unique team. No expense was spared when equipping this practice (cone beam, einstien printer, diode lasers, and more). If you'd like hands on experience placing implants and providing the highest level of care for each patient, inquire asap! Over 100 new patients each month ensure unmatched security and phenomenal earnings! <b>Job ID: WI141</b></p>
<p>Closest City: <b>Green Bay</b></p> <p>Marinette County</p>	<p>Successful private practice seeking associate-to-possible partner due to growth and owner wanting to back down doc days. This office has all the tech! We're talking 3D printers, CBCT, CEREC and more. This is the perfect opportunity for someone not only financially driven but also community driven. There is no shortage of ways a doc can grow clinically within this office (doing implant placement, sleep apnea, ortho, endo and more). Current owner has ambitions to grow the practice on multiple fronts and this associate can be a part of this exciting growth! Well worth a relocation for this opportunity. <b>Job ID: WI136</b></p>
<p>Closest City: <b>Green Bay</b></p> <p>Shawano County</p>	<p>Full-time associate dentist that can work independently but is willing to work within specific policies and procedures of the company. Comprehensive dentistry approach, with an emphasis on preventative care and long-term restorative options. Must be familiar with and well-versed in common medical conditions and medications and their effect on the oral cavity. Candidate will be responsible for providing minor and major restorative, as well as other areas of treatment they are comfortable with (i.e. endodontics, Invisalign, surgery, etc.) providing comprehensive and periodic examinations to multiple hygienists throughout the day, triage, diagnosis and proper treatment of emergencies, maintaining administrative duties (clinical notes) and effective communication with all members of the team. <b>Job ID: A666</b></p>
<p>Closest City: <b>Janesville</b></p> <p>Rock County</p>	<p>Growing and successful, privately held, doctor-owned group practice looking for a General Dentist to work alongside another dentist. Major investments in the office are in the works! While it is a group, this practice is an individually named and marketed office. With a superb compensation/benefit package, and treatment plan autonomy, this is an excellent opportunity! CE stipend, SPEAR and mentorship accessibility. You have an interest in increasing your clinical suite? No problem! This group practice can provide it! <b>Job ID: WI036</b></p>
<p>Closest City: <b>Janesville</b></p> <p>Rock County</p>	<p>If you're looking for an opportunity to work alongside colleagues who encourage you to be a well-rounded dentist, reach out to Edge today to discuss this opening! With all of the latest tech (including CBCT) and colleagues doing advanced procedures, this is a unique opportunity to be mentored in procedures such as molar endo, implant placement, oral surgery and more. This office takes a lot of pride in being able to have docs bounce tx plans off of one another and share best practices so new docs don't have to "recreate the wheel". This is a booming practice with a passion for being a part of the community. <b>Job ID: WI073</b></p>
<p>Closest City: <b>Janesville</b></p> <p>Rock County</p>	<p>Private practice seeing associate due to growth! With 8,000 active, loyal patients, this office has resorted to turning patients away until they find a doc to join their tenured team. The community is growing and becoming quite a lovely town to live/work within. Office would support a doctor doing bread and butter dentistry or with additional clinical offerings should they desire. Office is equipped with CBCT, intraoral scanner--fully digital. The office is known throughout the community for their high-quality work, not overselling treatment and treating patients fairly and with kindness. <b>Job ID: WI097</b></p>
<p>Closest City: <b>La Crosse</b></p> <p>La Crosse County</p>	<p>Immediate need for a full time doctor looking to work in a private practice setting located in a recently remodeled, sleek new office alongside an enthusiastic and experienced provider that will provide on site mentorship as needed. Nestled at the base of the bluffs in picturesque La Crosse, you will find a very recently completely redesigned and updated office in which no detail to provide an exceptional patient experience was overlooked. To go along with the complete floor to ceiling renovation, all new dental equipment and instruments fill the entire space giving our providers the advantage of being able to provide cutting edge dentistry all day long. Full digitalization including CBCT imaging, intra oral scanning, and intra oral cameras are just the start of a long list of amenities this practice has to offer. Kick start your career by taking advantage of having an experienced support team, and a long practicing doctor on site to collaborate with and provide mentoring. Practice places a strong emphasis on continuing education, offering the opportunity to learn surgical implant planning and placement, comprehensive restorative treatment planning, invisalign, and communication skills to improve your case presentation and acceptance skills. Benefits include a competitive base salary, health insurance, vacation, a large CE stipend, a 401k retirement plan with employer match, and many others. A motivated and skilled provider should expect compensation to easily surpass 200K+! <b>Job ID: WI069</b></p>
<p>Closest City: <b>La Crosse</b></p> <p>La Crosse County</p>	<p>Growing, modern, private group practice is looking for full and part time dentists to join their team. The dental practice has a strong set of core values and a team-first culture! They are dedicated to providing the highest quality dental care possible. CE is vital to upholding this commitment and they intend to provide mentorship and stipends for formal top-notch clinical and leadership CE to the associate who joins the team. With investments in the latest technology like CBCT, intra oral scanning with CEREC, you will have the tools you need to communicate treatment effectively and to provide exceptional care with a digital workflow. Join their energetic, fun, team-focused, innovative team. <b>Job ID: WI015</b></p>

Closest City: <b>La Crosse</b>  Jackson County	Multi-doc, private practice seeking associate-to-partner due to a retirement. Office has digital x-rays, digital pan, cephalometric and conebeam and the office procedure mix currently consists of general restorative, oral surgery, implant placement/ restoration and orthodontics. This is an excellent opportunity if you have ownership aspirations and enjoy rural living! <b>Job ID: WI061</b>
Closest City: <b>La Crosse</b>  Trempealeau County	Privately held, doctor owned group looking for associate to work alongside a talented clinician seeking to mentor until they retire end of 2023. This would be an ideal opportunity for a new grad/D4 to learn an array of clinical procedures with a phenomenal mentor (implant placement, endo, surgical extractions/wisdom teeth removal, IV sedation/oral conscious sedation and more). Multiple inquiries before this position has even been posted live--and won't be open for long! <b>Job ID: WI117</b>
Closest City: <b>Madison</b>  Rock County	High tech and heavily specialized office looking for associate due to growth! Owner doc is looking for someone to mentor and grow with. This office invests in the latest technology and is even doing 3D printing in-house. There would be partnership potential in the future also! Opportunities like this don't come around often! Reach out today! <b>Job ID: A696</b>
Closest City: <b>Madison</b>  Dane County	Doctor-owned group seeking associate with path to partnership at the group level due to growth. This practice is stunning with all the tech you'd need to continue to grow clinically. With an emphasis in mentorship, this group provides implant continuum programs on-site and has a great collegial environment amongst their doc team. A long-time Edge client that has had great doc feedback with those we've placed (5+ docs). <b>Job ID: WI134</b>
Closest City: <b>Madison</b>  Dane County	Successful and collaborative group practice looking to add additional associate due to growth. With a strong mentorship program, CE stipends and the ability to work alongside other doctors, this opportunity is perfect for a new grad or experienced provider. Excellent salary and benefit package! <b>Job ID: WI038</b>
Closest City: <b>Madison</b>  Dane County	Doctor-owned group seeking associate with path to partnership at the group level due to growth. This practice is stunning with all the tech you'd need to continue to grow clinically. With an emphasis in mentorship, this group provides implant continuum programs on-site and has a great collegial environment amongst their doc team. A long-time Edge client that has had great doc feedback with those we've placed (5+ docs). <b>Job ID: WI134</b>
Closest City: <b>Madison</b>  Dane County	Privately held and doctor owned group practice seeing associate due to a retirement. GPs do what they are comfortable with and encouraged to grow their clinical suite but the group does have in-house specialists for procedures GPs would prefer to refer out. The ideal doc for this opportunity would be ambitious and want a busy practice as the existing patient base is large and there is also a path to partnership. Outstanding benefit and compensation package. <b>Job ID: WI057</b>
Closest City: <b>Madison</b>  Sauk County	A short 35 minute drive north from the northern Madison suburbs, you'll find a thriving private practice looking for an associate-to-buyer. Owner is eager to mentor clinically, show successor how to lead within a practice and run a successful business. Practice committed to keeping as many procedures in-house as possible: routine operative procedures for both adults and pediatrics, fixed crown and bridge, all endodontic procedures except apicoectomies, all removable including implant supported- prostheses, restoration of all dental implants, the placement of mini dental implants, and most oral surgical procedures including impactions. There's an opportunity to bring ortho in-house if associate is interested in that. Technology includes: Eaglesoft record charting, Progeny digital sensors, Sirona digital pano, Medit i500 and i700 intraoral scanners, Komet electric endo system, and Cavitrons in Hygiene ops. Chairs and units are Midmark with Bien air hand piece motors. Handpieces are Kavo and doctor ops all have Midmark overhead track lights. <b>Job ID: WI119</b>
Closest City: <b>Madison/Milwaukee</b>  Jefferson County	Successful, 7,000 active patient base practice seeking associate due to substantial growth. If you are a dentist passionate about providing as much care in-house as possible, this is an amazing opportunity for you! Well-established hygiene program in place. <b>Job ID: WI123</b>
Portage County	
Closest City: <b>Wausau</b>	Does walking into a booming private practice located in a brand new state of the art facility that is loaded with a huge patient base and the latest dental technology available sound appealing? These are just some of the perks that make joining our experienced team talented doctors an opportunity that you won't find anywhere else! Practice is a truly stunning dental facility engineered for peak efficiency and functionality. It is completely remodeled and expanded, containing 12 sleek treatment operatories that are loaded with the latest modern equipment and designed to help provide a patient experience that exceeds their expectations. Large flat screen TVs on the ceiling and wall enhance your ability to educate patients on their oral health, while also helping them to relax during treatment. The office is fully digitalized and utilizes CBCT imaging. Joining this busy 2 doctor practice allows the incoming dentist the advantage of immediate
Marathon County	

	daily onsite mentorship by doctors skilled and experienced in all aspects of general dentistry, including surgical implant placement and restoration, advanced oral surgery, endodontics, invisalign, and more complex comprehensive restorative treatments. With an average of 50+ new patients per month, and 4-5 hygienists working 5 days a week, you will find all of the support and patients needed to keep you busy and provide you with exciting clinical growth and potential income opportunity. Don't miss the chance to become a part of a dynamic team of dentists that are setting the standard for clinical dental excellence and customer service and satisfaction. Benefits include 401k retirement plan with employer contribution, vacation, health care, a CE stipend that matches our emphasis on the importance of continued clinical growth, a competitive base salary, and the potential to earn 250-350K+ per year! <b>Job ID: WI067</b>
Closest City: <b>Wausau</b>  Marathon County	Privately-held, doctor-owned, group practice committed to premium patient care and supporting associate dentist however they'd like to grow clinically. The practice has 11 Op's and a surgical suite for placing implants. You'll have the opportunity to work alongside a colleague and collaboration is encouraged. This office is equipped with everything you need to do oral surgery, endo and placing implants. On site mentorship and guidance is available if you have interest in adding those procedures to your clinical suite. There has been nothing spared in this office: Digital sensors, CBCT/Pan machine, supplies are all stored in tip-out bins for easy stocking and visibility. Sterilization includes instruments in standardized cassettes with a hydrim. Computers in every operator with TV's on the ceiling for the patients viewing. There is a well seasoned team of Administrators that can keep the schedule booked to maximum efficiency, top notch assistants who have been groomed to perform at a very high level and hygienists who have excellent co-diagnosis skills. <b>Job ID: WI039</b>
Closest City: <b>Wausau</b>  Taylor County	Modern practice with, educated patient base and majority fee for service looking for full time associate to join the team. The office has a CBCT (pt base educated on implants), digital radiography, rotary endo electric pieces, brand new chairs and cabinetry. Practice isn't focused 100% on production numbers over patient care and learning is a major value within the office. CE opportunities are available amongst other dentists at the practice along with a yearly stipend. Highly competitive compensation package! <b>Job ID: WI109</b>
Closest City: <b>Wausau</b>  Taylor County	Booming practice seeking associate-to-partner to come in and work alongside a colleague who is passionate about top-notch patient care and implementing new technologies/procedures within the office. The auxiliary team is one doctors dream of...a team that treats the practice like it is their own and the patients like they are an extension of their own family. It is common to hear assistants ask "what can I do to make your job easier, doc?" This is a perfect opportunity for a doctor with a strong work ethic, a willingness to learn, one that takes initiative and has a passion for being a part of the community. This office has a goal of keeping as much in-house as possible for patient convenience and there are investment goals on the horizon to acquire a CBCT and laser. <b>Job ID: WI087</b>
Closest City: <b>Wausau</b>  Vilas County	Seeking a General Dentist to step into an established practice with high profitability all while enjoying the unspoiled beauty of northern Wisconsin. State of the art technology, mentorship, and a clear path to partnership. The practice has experienced tremendous success year after year and is the perfect opportunity for someone looking to take their career to a level most dentists only dream about. There is very little competition in this area, so there is an outstanding patient base along with a hardworking, experienced staff. Don't miss out, contact us today for additional information! <b>Job ID: WI143</b>
Closest City: <b>Wisconsin Dells</b> <i>Part-time</i> Marquette County	Private practice seeking part-time associate due to retirement (1-2 doc days and days flexible based on associate preference). This opportunity would have the capacity to be ramped up to full time or would support a doctor's long-terms goals on staying part time also. Office has a loyal patient base, with substantial opportunity to keep more advanced procedures in-house. This is a Delta premier only office and associate compensation will be 40% of collections! <b>Job ID: WI060</b>
<b>Experienced General Dentistry Positions Available</b>	
<b>WISCONSIN</b>	
Closest City: <b>Appleton</b> <i>Part-time</i> Calumet County	Community-minded, high-tech office seeking part-time personable and driven associate. This opportunity would be the perfect opportunity for a dentist passionate about using the latest tech and keeping as many procedures in-house as possible. Owner committed to clinical mentorship. <b>Job ID: WI101</b>
Closest City: <b>Appleton</b>  Waupaca County	Immediate need for an experienced dentist looking to seamlessly step into a well established practice in a water lovers' paradise. Known for its popular chain of lakes that makes it a summer playground for thousands, this neighborhood is a beautiful area with a small town feel conveniently located just 30 minutes west of Appleton. Practice allows the motivated and independent-minded dentist an opportunity to be the sole practitioner for 1500+ active patients in a private practice setting with the support of one of the state's most doctor-friendly DSO groups. This arrangement allows the doctor clinical support to grow and reach their full potential while focusing on providing quality dental care and allowing them the comfort and freedom to not have to worry about managing a busy practice. An enthusiastic well trained and established team in an updated stand alone facility with 5 equipped operatories that are fully digitized with CBCT imaging awaits the right dentist fortunate enough to take advantage of this wonderful opportunity. 2 full time hygienists and a steady flow of new patients provide endless opportunity to take your career to the next level. Benefits include vacation, health insurance, 401K, a generous CE stipend, and an expected compensation of in the range of 200-300K+. <b>Job ID: WI065</b>

Closest City: <b>Appleton</b>	Beautiful, private-practice seeking associate with partnership/succession buy-out ambitions. This office is in an excellent location, has 4100 active patients and a talented support team. Ideal doctor for this practice would be one with a focus on building relationships with patients and the team. Someone more conservative in treatment planning and very thorough in comprehensive care. One that also places an emphasis on honest and ethical dental care before production numbers.
Winnebago County	<b>Job ID: WI084</b>
Closest City: <b>Green Bay</b>	Newly remodeled private practice seeking associate due to growth. This office has all the tech: CEREC, CBCT, scanner, laser, and 3D printer. Procedurally, the office is offering all general dentistry procedures: restorative, extractions, removable prosth, preventative, basic perio (not surgical), implant placement/restoration and Botox (both therapeutic and cosmetic). This opportunity would be ideal for an experienced doctor with a broad range of procedural abilities. For the right candidate, eventual partnership is on the table. <b>Job ID: WI108</b>
Shawano County	
Closest City: <b>Madison/Milwaukee</b>	Privately owned, practice looking for full-time general dentist. With a path to partnership, you can reap the financial rewards of practice ownership, without the financial risk of taking on more debt, all while still earning a highly competitive salary. We invest in our team and practice, and strive to create a fun and patient-centered culture. Associate will begin with an established patient base of about 1,500 active patients. The practice has electric handpieces, PAN/CBCT, Trios scanner, digital & PSP x-rays, intra oral cameras, and operatory patient monitors. Practice offers 24/7 phone answering/scheduling services and online self-service patient booking tools to help continually grow the practice/patient base. The owners are willing to involve, teach, and train the dentist in the business side of dentistry, if interested, but the office and position is set-up so the dentist can focus on dentistry. Ideal dentist would be one that takes pride in their work and is committed to continuing education. <b>Job ID: WI079</b>
Jefferson County	
Closest City: <b>Milwaukee</b>	This practice is an easy highway commute from the northern Milwaukee suburbs. Guaranteed salary range is \$135,000-\$175,000 depending on experience level. Compensation above guaranteed salary will be a percentage of production. Qualified candidates will easily exceed the base salary by a large margin. Preference will be given to applicants interested in a buy-in opportunity. \$2,000 yearly CE stipend and professional liability premium will be paid for. Also enjoy a \$2,000 donation/marketing budget to give money to organizations of your choice with your name attached to it. <b>Job ID: WI104</b>
Washington County	
Closest City: <b>Milwaukee</b>	Booming holistic/biological dental practice seeking associate looking for a high-tech office that fosters continual learning and individualized patient care. This office has all the latest technologies and offers a robust portfolio of clinical offerings all in-house. The auxiliary team is well trained and highly functional and practice owner is committed to mentorship if doctor aligns philosophy-wise. Pay is competitive for the area! <b>Job ID: WI093</b>
Milwaukee County	
Closest City: <b>Milwaukee</b>	Private practice seeking associate to take over an existing patient base due to partners wanting to step back clinical doc days. Pay will be competitive and will support doc with procedures they're interested in doing and bringing to the practice. Office is fully digital (pan, ceph, dentrix, digital scanner). Would love a doc interested in endo and implant placement. <b>Job ID: WI132</b>
Milwaukee County	
Closest City: <b>Milwaukee</b>	Doctor-owned group practice seeking associate to take over an existing patient base. Pay will be competitive and benefits are robust like you'd find at a larger DSO. This group will support doc with how they'd like to grow clinically, offering autonomy with procedures, mentorship and purchasing of equipment needed. <b>Job ID: WI133</b>
Milwaukee County	
Closest City: <b>Milwaukee</b>	Booming general practice with a focus on pediatric care seeking experienced doc for an associate-to-partner opportunity to take over an existing patient base due to a future acquisition. With a CRNA on-site, the ability to work alongside other doctor-colleagues for mentorship and a path to partnership, this is a lucrative opportunity dentists passionate about working with kiddos shouldn't pass up! <b>Job ID: WI130</b>
Milwaukee County	
Closest City: <b>Wausau</b>	Practice in search of the right dentist to step into a truly unique private practice opportunity that offers nearly unlimited patients and potential. Office just recently combined two local practices into one under the same roof, allowing the incoming doctor immediate access to over 2500+ active patients in need of care! The facility was recently updated and contains 7 functional operatories, is fully digitalized, and is equipped with all of the tools you will need to provide dentistry at the highest level. A highly functioning, efficient, and smoothly operating office run by a compassionate, caring, skilled, and experienced team of dental professionals awaits to help make your life easy and allow you to focus on providing outstanding patient care. This includes 3 full time hygienists working M-Th to see our large patient base. Have the best of both worlds by working autonomously in a private practice setting, but also having the clinical and managerial support to allow you not to focus your energy on clinical dentistry. Both onsite and remote mentoring opportunities are available by taking advantage of our outstanding CE options and our affiliation with other reputable, local practices. This will allow you to become part of a team of highly skilled practitioners setting the standard for quality patient care in Central Wisconsin. See and learn how to appropriately treatment plan and communicate with patients, surgically place implants predictably, handle complex wear and full mouth rehab cases, execute implant supported hybrid and locator prosthesis, and much more! Don't miss your chance to take your career to heights you never imagined. Benefits include vacation, a 401K retirement plan with employer contribution, a generous CE stipend, health insurance, a very competitive base salary, and an expected total compensation of 200-300k+! <b>Job ID: WI068</b>
Lincoln County	
Closest City:	Now is your opportunity to come and join one of the fastest growing and most successful dental groups in the state of Wisconsin! This practice is part of a trio of

<b>Wausau</b>  Marathon County	Central Wisconsin practices that offers the incoming doctor truly unlimited potential and unmatched mentorship, support, and career growth opportunities. Walk into a brand-new facility that is currently being fully renovated and expanded to include 8 fully equipped operatories that provide all of the finest amenities modern dental has to offer. Practice is located just 10 miles south of Wausau and is a growing small town located on the most popular recreational body of water in Central Wisconsin. This well established practice has the quintessential small town feel where emphasis is focused on close patient relationships and is conveniently located right next to the local schools where it has been in existence for over 50 years! This fast growing practice has two full time hygienists with plans and room to add more. <b>WISCONSIN</b>	
Closest City: <b>Appleton</b> <i>Periodontist</i>  Winnebago County	Busy private periodontal practice (conventional periodontal treatment, implant therapy, with a focus on regeneration—both hard and soft tissue grafting) seeking associate-to-partner to take over an existing referral base. The practice's focus has been patient centered—with a multidisciplinary basis. They participate in Spear's education and find this a strong influence in communicating with their general dental colleges. The practice has a main office location (8 operatories) and a satellite office in (with 5 operatories) with a stable staff and referral base. <b>Job ID: WI115</b>
Closest City: <b>Eau Claire</b> <i>Oral Surgeon</i>  Eau Claire County	Doctor-owned, privately held group has an opening for a partner level position due to phenomenal growth, expansion, and existing partner transition plans over the next 5 years. Past oral surgeon associate made \$800K within 18 months. Partner options boost income above \$1.2MM. The culture and willingness of the existing team to invest in long term success ensure stability and growth. Beautiful facility. Excellent cost of living in a region of Wisconsin that offers excellent schools, safety, and growing cultural options. <b>Job ID: WI138</b>
Closest City: <b>Green Bay</b> <i>Pediatric Dentist</i>	Privately held pediatric clinic looking for associate (with ideal hopes for partnership in the future). This role can be full or part time depending on the desires of the provider. This office has been a staple in the community for nearly 30 years and is passionate about practicing with a family focus and passion for teaching. <b>Job ID: A723</b>

Brown County	
Closest City: <b>La Crosse</b> <i>Periodontist</i>	Successful perio practice with five treatment rooms looking for associate wanting to eventually buy out the retiring doctor. Retiring doctor committed to mentoring on the practice management side and working back. The supporting community is made up of professionals, manufacturing, distribution, mixed agriculture and additionally University students and staff. The practice is located in a busy area with great off-street parking. It is open 5 days a week with the current Dentist working 4 days a week, together they produce over \$1 Million in revenues. The office is well equipped, Dexis Imaging, Planmeca Panoramic x-ray unit and new computers. The physical location of this practice is ideal for business, but it's also a wonderful place to live. La Crosse County is by far one of Wisconsin's gems. The Bluffs overlooking the Mississippi River are spectacular. It might be small town living but don't let it fool you, great restaurants, hiking, fishing, photography, this area has it all! <b>Job ID: WI016</b>
La Crosse County	
Closest City: <b>Madison</b> <i>Pediatric Dentist</i>	Located in rural SW Wisconsin, this pediatric dentist opportunity is for the entrepreneur who has a passion for children's dentistry in an underserved area. Current practice operates as a general family practice, but would like to expand pediatric services to become sole pediatric specialist in its area. Office is seeking a pediatric dentist who would want to transition into ownership down the road and grow into it into a specialty practice. Current office has 8 operatories, experienced staff, generous benefits package including health insurance, retirement, CE, and bonus system. Current practice owner will outfit operatories and purchase equipment the associate would need to transition into pediatric practice. New hospital in area could be ideal location for hospital privileges to take on larger cases. Great opportunity for someone looking to grow their own practice while having a foundation of a current office. <b>Job ID: WI049</b>
Grant County	
Closest City: <b>Madison</b> <i>Periodontist</i>	Reputable group practice seeking full time periodontist to work alongside another perio colleague and handle all the in-house referrals for their 11 GP offices. With plans for additional start up offices in the upcoming year, it'll only increase the opportunity further! Excellent pay, benefits and collegial environment. <b>Job ID: WI114</b>
Dane County	
Closest City: <b>Madison</b> <i>Periodontist</i>	Doctor-owned, privately held group has an opening for a solo in-house periodontist. Current periodontal associate is relocating to another state for family reasons. This periodontal practice generates \$1.5M a year and easily has the capacity to increase this production. It is fully staffed and just waiting for the right periodontist to take over. This periodontal practice is fully equipped, and the production is mostly generated from implant dentistry, gingival plastic surgeries and traditional periodontal therapies. The group consists of 25+ general dentists, 4 orthodontists and 1 endodontist. Most of the referrals are from within the organization and they also see many referrals from dentists outside of the organization. This position is guaranteed to keep the right periodontist busy. Excellent pay/benefits and path to partnership! <b>Job ID: WI116</b>
Dane County	
Closest City: <b>Madison</b> <i>Endodontist</i>	Large, doctor-owned, private practice with multiple general providers looking for in-house Endodontist to handle all endo referrals for the GP's. Group has always offered partnership if associate is interested, but it isn't required. Group supports the associate's treatment autonomy and gives them the support to run their practice the way they see fit. <b>Job ID: WI062</b>
Dane County	
Closest City: <b>Madison</b> <i>Pediatric Dentist</i>	Successful group practice is looking to add a pediatric dentist to their team. Currently, the practice employee a total of 28 doctors including specialists in ortho, endo, perio, and oral surgery. This opportunity would be a new position to add in a pediatric dentist to extend continuity of care and receive in house referrals. Practice is focused on preventative care and has been awarded as a top work place for several years in the area due to their culture and philosophy. Multiple locations all within a short commute of one another allows for option to work at several clinics and collaborate with the orthodontists. This opportunity would be ideal for a new graduate or experienced pediatric dentist. <b>Job ID: WI044</b>
Dane County	
Closest City: <b>Milwaukee</b> <i>Pediatric Dentist</i>	Calling a motivated pediatric dentist who is looking to become a partner in a thriving and growing practice! This two location practice is looking for a new graduate pediatric dentist who is seeking an opportunity for mentorship and future ownership. Work in new facility that was designed specifically to cater to your young patients with open bay operatories, quiet rooms, a family waiting room with toothbrushing station, and room to grow your practice. This practice is busy and productive, ideal candidate would work alongside current pediatric dentist to take on larger cases and transition into leadership through the guidance and mentorship of senior doc. An eagerness to expand services like orthodontia and interceptive appliances would align well with office goals. Long tenured staff and great teamwork philosophy, along with being located in a growing area with top schools create an opportunity for life/work balance and to have a successful pediatric dentistry practice. <b>Job ID: WI045</b>
Washington County	
Closest City: <b>Milwaukee</b> <i>Endodontist</i>	Non-corporate group practice is searching for an in-house endodontist to serve the multiple practices within the group!
