

UNIVERSITY OF WASHINGTON

DETERMINATION OF NON-SIGNIFICANCE

Date: October 13, 2023

Lead Agency: University of Washington

Description of Proposal: The UW is proposing to repair, replace, and remove several docks located along the shoreline of Union Bay in Lake Washington. The dock improvements result in replacement of five, removal of four, and extension of one dock, and the replacement of one boat ramp. This proposes a reduction of approx. 4,000 sq. ft. of overwater coverage.

Location of proposal, including address, if any: The project site is at the eastern edge of campus near Conibear Shellhouse and the Waterfront Activities Center.

Pursuant to the provisions of WAC 197-11-340 and WAC 478-324-140, the University of Washington hereby provides public notice of determination of non-significance.

The comment period will end October 27, 2023.

Responsible Official: Julie Blakeslee, AICP, Environmental & Land Use Planner
