Approve meeting minutes from 11-12-2025.

- **Approved**

New Business:

Discussion: Commodores ball

- Possibility of paying to host at swedish club.
- Last time the venue was free, we should find a similar deal to ensure it is profitable.

Discussion: SYCF scholarship

- Given to “deserving young sailors”.
- Prioritize those who have a history of teaching or boat maintenance with at least a novice rating.
- We should include assistant instructors with intermediates as they clearly demonstrate club service but they don't have dues waved like full instructors do.

Discussion: Hold further votes for the next meeting.

Motion to adjourn.

- **Approved**
